

# 2018 IBWA Affiliate Program Dues Form

## AFFILIATE PROGRAM

The IBWA Affiliate Program is for individuals or companies interested in establishing a company to bottle or package drinking water. The category is intended solely for the purpose of assisting **potential bottlers**, allowing them a means of gathering information in preparation for later transition to Bottler membership. Companies are permitted to remain in the Program for a maximum of **two years**, at which time they must transfer to one of the other IBWA member types.

Once a company in the Affiliate Program begins to produce bottled water, they must transfer to either the IBWA Candidate Bottler Program or Bottler member type to continue the membership.

Total payment for new affiliates is due at the time of application.
