

2018 IBWA Bottler Membership Dues Form

BOTTLER MEMBERSHIP

IBWA Bottler members are companies that bottle or package water for sale within the United States (whether or not the plant is located in the United States) and that meet IBWA Bottled Water Code of Practice standards, which is verified by annual plant inspections.

IBWA has contracted with three companies to conduct annual inspections for Bottler member plants. This inspection is **MANDATORY**. You must select one of the inspection companies listed in Section IV of this form to conduct an audit for **each** plant you operate. The fees for inspection of your plant(s) are separate from your IBWA dues payment, but must be paid at time of application or membership renewal. See *page 3, Section IV* for additional information on the costs associated with plant inspections.

New Bottler members are assigned an initial status of Provisional Bottler until IBWA has received notification from the chosen inspection company that the facility or facilities have passed the plant inspection(s). Upon receipt of the notification, the new Provisional Bottler member will be assigned the status of IBWA Bottler member.

The TIER 2 inspection program is an addition to the current inspection program, and is open to any IBWA member Bottler who wishes to achieve certification under a Global Food Safety Initiative (GFSI) certification program. The fee for TIER 2 inspections are separate from your IBWA dues payment and are payable directly to the inspection vendor. See the enclosed inspection memorandum for additional information on TIER 2 inspection

Dues for Bottler members are based on gross bottled water sales and start at \$6,333 for gross sales of \$2,600,000 or less. See *page 3, Section III* for additional information. Total payment, including membership dues and plant inspection fee(s), for new members is due at the time of application.

VI. IBWA POLITICAL ACTION COMMITTEE AUTHORIZATION TO SOLICIT

- We have read the IBWA “Why a PAC?” flyer and are enclosing a signed IBWA PAC Authorization to Solicit form for our company. *We understand that giving IBWA the Authorization to Solicit does not require any of our employees to make a contribution to the IBWA PAC.*
- “Become an IBWA PAC Program Sponsor! Your voluntary donation to IBWA will help fund PAC administration activities and allow every personal contribution to the IBWA PAC to go toward supporting the election or reelection of candidates who support the bottled water industry.”

VII. IBWA BRAND LIST UPDATE

The IBWA Member Brand List is a very popular item for consumers and the media who call IBWA’s hotline (1-800-Water-11) or visit the IBWA website.

To ensure that the brand list is current and correct, list all of the proprietary/house brands your company produces, including brands that have added fluoride, as indicated on the label. Type or print clearly.

Company Brand	Container Size	Type of Container (PET, LDPE, Glass, Aseptic, etc.)
1.		
2.		
3.		
4.		
5.		
6.		

Attach a separate sheet if necessary to list all of the brands your company produces

The IBWA Board of Directors approved a recommendation by the IBWA Bottled Water Quality Reporting Task Force to update the member brand listings on the IBWA web site to facilitate direct consumer access to water quality reports for specific brands, or to provide contact information that would inform consumers how such reports can be obtained.

To demonstrate their participation in this important program, **Bottler members are asked to review the following statement and check the box if applicable:**

- I verify that 1) a bottled water quality report for each proprietary brand, that can be provided to consumers upon request, is available; and 2) a written company policy exists that includes information on how a bottled water quality report for each of our proprietary brands, will be provided if requested by consumers.

CONDITIONS OF MEMBERSHIP FOR BOTTLER MEMBERS

In applying for or renewing bottler membership and as a condition precedent to membership, I hereby voluntarily acknowledge, agree and consent:

1. That each of my company’s bottling plants located within the United States meets the sanitation and drinking water safety standards of bottler membership as adopted by IBWA and as may be modified by its Board of Directors from time to time (a copy of which has been distributed to the membership.)
2. To allow each of my company’s bottling plants to be inspected annually by a private, independent inspection agency, approved by IBWA for the purpose of determining whether said plant(s) meets the minimum sanitation and drinking water safety standards of bottler membership as adopted by IBWA.
3. For any plant(s) whose initial annual inspection indicates that it fails to meet said sanitation and drinking water safety standards of bottler membership, to demonstrate compliance at my company’s expense through a re-inspection, if determined by IBWA to be necessary, or other means of demonstrating compliance to occur within 30 days of notice from IBWA that said plant does not meet the aforesaid standards of bottler membership.
4. That final approval of my application or renewal for bottler membership and continuation of said membership thereafter from year to year shall be contingent on (a) allowing the annual plant inspection and any re-inspection or other appropriate follow-up means of demonstrating compliance determined to be necessary by IBWA, as required by paragraphs (2) and (3) herein; (b) obtaining and maintaining thereafter the necessary passing score for said inspection or any necessary re-inspection in accordance with IBWA’s standards of bottler membership, and (c) compliance with all other provisions of IBWA’s Bylaws published in the IBWA Roster.

I comply with the current policy with regard to the use of the IBWA logo and the associated statements and agree to the indemnity and release language set forth on the application form.

Payment of the above membership dues indicates agreement by the company to abide by the IBWA Bylaws and other rules of membership in IBWA. See the *Conditions of Membership for Bottler Members* and the *Member Use of the IBWA Logo* for additional conditions of IBWA Bottler Membership. All sales and other information provided will be kept in the strictest confidence.

“I have calculated my dues payment using the formula provided by IBWA and my company’s sales figures for the previous year.”

LOGO USE POLICY

MEMBER USE OF THE IBWA LOGO

The IBWA logo, the abbreviation "IBWA" and the inscription "International Bottled Water Association," is a mark owned by IBWA. The IBWA Board of Directors has issued instructions that the IBWA logo "CANNOT BE USED ON ANY LABEL OR ON ANY BOX CONTAINING PRODUCTS FROM OUR MEMBERS." Members may use the IBWA logo on their stationery, advertising, trucks, etc., but NOT on the product or its container/case. With respect to use of the abbreviation IBWA and/or the full inscription on product labels or containers, IBWA Bottler, Distributor and Supplier members are permitted to put the words "An IBWA Bottler (Distributor/Supplier) Member" or "IBWA Member" on the labels of their products. This must be in a straight line. It MUST NOT be bent or circled to imply a special logo, certification or guarantee.

For those Bottler, Distributor and Supplier members who wish to use "An IBWA" Bottler (Distributor/Supplier) Member" on their labels, WE DO REQUIRE that you agree to the following release: "I, for good and valuable consideration, including the license to use the International Bottled Water Association (IBWA) logo and inscription "An IBWA Bottler (Distributor or Supplier) Member," hereby release and agree to indemnify and hold harmless the IBWA from all claims, causes of action, liabilities or obligations of any kind, arising out of, connected with, or predicated upon membership in IBWA or the use of the said logo and inscription, it being thoroughly understood that the use of said symbol and inscription shall never be construed to create any warranty, expressed or implied, for or on behalf of IBWA in any manner whatsoever. Any goodwill derived from use of the mark inures exclusively to the benefit of IBWA. That said IBWA members agree to carry and maintain at their own expense, all necessary product liability insurance adequate to protect IBWA and any third party."

The use of "An IBWA Bottler (Distributor/Supplier) Member" or "IBWA Member" on your label is not required.

Members using the logo in the permitted applications must only print the logo in the official IBWA logo color (PMS #287), or in black, or in a "reverse," where the background paper or other format shows through to form the logo. In no circumstances, can the IBWA logo in whole or in part be modified or duplicated within any company or brand logo.

Use of any mark that is confusingly similar to the IBWA mark is prohibited. Members further acknowledge that they are subject to all terms and conditions established by IBWA for use of its trademarks.

It is incumbent on each IBWA member to abide by this Board policy to ensure that all members enjoy the full benefits of using the mark. Please direct any questions concerning this policy to IBWA at 703-683-5213. I agree to comply with the IBWA logo policy.
